A Taste Comes With a Price

by KagomeBenihime

Summary

Bobby comes home to find the older of his twin brothers enjoying the other, he decides to join in the fun, but then the oldest comes home.

"I'm home!" Bobby called, kicking the door closed behind him, tossing his keys in the bowl on the table.

"W-welcome home!" Came Adam's voice from the kitchen.

Bobby moved in and smiled.

Adam was dressed in his favorite skirt and oversized sweater, he was leaning forward on the counter, looking flushed and a little out of breath.

Bobby hid his smirk, he didn't need to see behind the counter to know what was happening, "Will, enjoying an afternoon snack?"

There was an answering hum from behind him and Adam gasped at the sensation.

Bobby shook his head fondly, those two were always having fun. Moving up to the counter, Bobby could see his younger brother on his knees, hands holding Adam's cheeks apart as he continued to eat out his twin.

Adam whined softly, shifting his hips as his eyes closed.

Bobby chuckled softly before taking Adam's chin gently and pulling him into a gentle kiss.

Adam was always so sweet during sex, all soft moans and panting sighs, Bobby did remember the times Adam had been dominant during sex and it always sent a thrill through him, but he liked soft Adam.

Adam whimpered and sighed softly, Will eating him out with gusto, and Bobby kissing him gently.

He was pretty sure neither of his older brothers heard the door, too busy playing with him, but Adam knew that their oldest brother was home before the clearing of a throat made the other two stiffen.

"Well," Nolan said from the doorway, arms crossed, "it seems you have all been enjoying yourselves."

Will pulled back and stood quickly, wiping the saliva from his chin, Bobby pulled back and turned, but before he could make any snarky comment, Nolan's look had him dropping his gaze.

"Adam." Nolan said softly, "Who started this?"

Adam know he couldn't lie, his brothers knew him too well, "W-Will did…" he said softly, "I was wearing my skirt today and… he said he wanted a taste…"

Nolan nodded, "I see. Alright." His voice got more commanding, "All of you, upstairs and strip. Then I want Will on the bed, he's first. Understood?"

The three brothers all nodded, "Yes Daddy." Then hurried upstairs to do as they were told.

Will shivered slightly, when Nolan had arrived, he had blindfolded and tied his younger brother with his tie and belt, leaving him there, kneeling on the bed as he listened to Adam's gasps and soft moans as Nolan took the youngest apart even more than the two had before.

Nolan fucked Adam gently, bending him over the edge of the bed so his head was near his twins knees. His eyes on Bobby, keeping the middle brother firmly in his seat.

"Now, what have we learned?" Nolan asked, thrusting deeply and grinding slightly as Adam whined.

"Not to instigate without everyone there…" Will said softly.

Bobby nodded quickly, "Don't encourage…"

Nolan hummed softly, "Fine. Adam, help Will, won't you? Bobby, come here."

Adam whined, "Y-yes, Daddy…" he managed, moving forward and taking Will's straining cock into his mouth and sucking softly as his twin shuddered and moaned loudly.

Bobby moved to Nolan meekly, not fighting as Nolan took his chin and kissed him deeply, his tongue exploring Bobby's mouth confidently as he reached to stroke Bobby's cock gently.

Bobby whimpered softly as he bucked slightly into Nolan's hand.

Nolan chuckled softly, pulling back and pulling Adam up with him, making both twins whine desperately.

"Will," Nolan said sternly, making all three still instantly, "on your back."

"Yes, daddy." Will said softly, laying down, putting his arms above his head, gripping the headboard slats tightly.

Nolan nodded before turning to the next, "Bobby,"

Bobby stood at attention, back straight and eyes wide.

Nolan hid a slight smirk, "Keep Will's mouth busy, please."

Bobby swallowed audibly, then nodded, climbing on the bed, positioning himself on hands and knees over Will and pushing into his waiting mouth, bucking his hips slowly.

Nolan smiled, pulling Adam close and kissing him deeply as he fucked his baby brother gently for another few minutes before pulling back.

"Alright," he murmured softly, smiling at Adam, "go take what you want."

Adam smiled, "Thank you, Daddy." He climbed onto the bed and dropped down on Will’s cock quickly.

Will stiffened with a moan, making Bobby curse and shiver, bucking his hips faster.

Adam pulled Bobby's face to his, kissing him deeply, moaning.

Nolan smiled, watching his brothers fuck roughly, using Will’s body as they chased release.

Soon enough, Adam and Bobby both came hard, moaning loudly as they did.

Shakily, Bobby and Adam climbed off the bed, making room for Nolan.

Nolan moved over Will, pulling the tear soaked tie away to look in his brother's eyes as he removed the belt.

"Daddy…" Will whimpered softly as he reached out to Nolan.

Nolan smiled gently and held Will close as he began fucking him, Will shivered and moaned, wrapping his legs around Nolan's waist, trying to coax him deeper.

"Good boy," Nolan murmured, reaching and stroking Will's cock gently.

Will arched up and came sharply with a cry.

Nolan pulled back, taking the warm washcloth from Adam and Bobby and cleaning Will up, then he pulled Will close and smiled at the other two, "Come on."

Bobby and Adam smiled and climbed up, snuggling together and soon falling asleep with their brothers.
